A photograph of an outdoor dining area. In the foreground, several white metal chairs with a grid-like backrest are arranged around a table covered with a white tablecloth. The table is set on a brick-paved patio. In the background, there are large glass windows reflecting the street outside. The text 'WABASH VALLEY' is overlaid in the top right corner in a light blue font, and 'Always There' is overlaid in a larger white font to its right.

WABASH VALLEY Always There

For over 30 years, Wabash Valley Site Furnishings has offered a variety of durable, functional, high-end furnishings including commercial-grade benches, waste receptacles, picnic tables, grills, bike racks and more. Our commercial outdoor furniture is ideal for a wide range of industries and applications and is available in numerous colors, styles and finishes to fit your needs.

WHAT

We turn outdoor spaces into gathering places for people to connect and make lasting memories.

HOW

Through the strength of two manufacturing facilities, we create durable, low maintenance site amenities that provide convenience and leisure for life's cherished moments.

WHY

We all have memories of running from the playground to our mother who was sitting on a near by bench, sharing a meal with friends outside at a picnic table, or desperately needing to dispose of an arm full of trash before you can continue on with your day. We love creating environments of enjoyment and comfort, so these moments become enhanced and turn into a positive memorable experience.

Heritage Collection

Heritage Collection products feature Plastisol-coated tabletops, seats, bench seats, backs, and receptacles. Recycled plastic seat tops and trash cans are also available. Choose from eight Plastisol color options and all frameworks come in six different powder-coat options. Solid top options within the Heritage Collection can be coated in any standard powder-coat color of your choice.

RECYCLED PLASTIC LUMBER

Cedar Milwaukee Brown

Our broad selection of Plastisol-coated outdoor furniture and site amenities consist of ¼" Plastisol coating, heat-fused and permanently bonded to the steel—that's 30 times the thickness of paints and powder coatings. All Wabash Valley framework is coated with baked-on polyester dry powder, which provides a superior coating and appearance. Stainless-steel hardware is used on all products.

Heritage Collection

Introducing Wabash Valley's Heritage Collection – our flagship collection of Plastisol-coated outdoor furniture, crafted to endure the harshest elements and the most demanding environments. Engineered for superior durability, our Heritage products stand resilient, ensuring long-lasting performance and reliability. Whether it's a public park, a bustling urban setting, or a busy school, our extensive selection of outdoor furniture and site amenities will maintain their strength and appearance, making them the ultimate choice for any setting where durability is paramount. Experience the unmatched endurance and timeless design of Wabash Valley's Heritage Collection.

MOUNTING OPTIONS

-  **IN-GROUND**
Material is embedded deep into concrete.
-  **PORTABLE**
Mount sits on top of surface and is movable.
-  **SURFACE**
Bolted to top of concrete surface with anchor bolts (not provided); all surface-mount holes are 1/2" diameter.

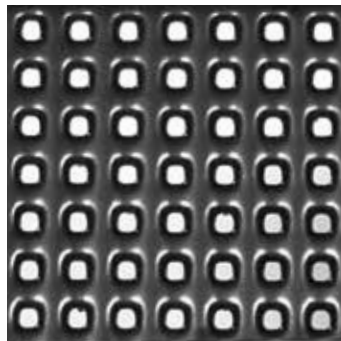

CAMINO

HERITAGE

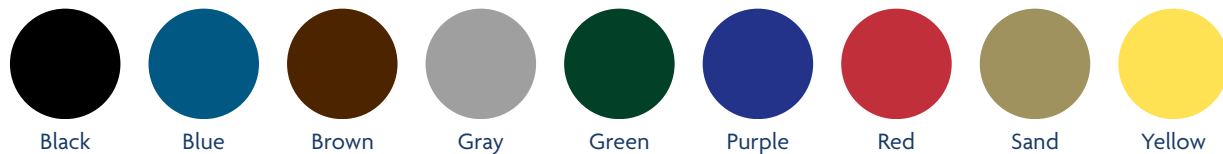

The Camino Line brings a contemporary look to dining spaces with its rounded edges, and sleek, modern curves. Its uniquely designed chairs create a café-inspired aesthetic that's perfect for year-round enjoyment. Built to withstand the elements, the Camino Line offers a weather-resistant variety of colors to every outdoor dining experience, combining style and durability in every detail. Additionally, the line includes ADA-accessible options, ensuring an inclusive and welcoming space for everyone.

Urbanscape Collection

Within the Urbanscape Collection, many lines offer PolyTuf recycled lumber made from post-consumer plastics as a material option. This environmentally friendly material offers the look of wood, but without cracking and fading. Although the Urbanscape Collection's look is high-end, it isn't high-priced. Our collection can fit any budget just as well as we fit into almost any landscape. So you get a head-turning look without the eye-popping costs—just one more way the Urbanscape Collection is the smarter choice.

Green Valley products offer environmentally friendly alternatives. Constructed with PolyTuf plastic lumber custom-extruded from recycled plastics, Green Valley benches and picnic tables are long-lasting and nearly maintenance-free. They also don't have the drawbacks of real wood, such as fading, insects, cracking and splintering.

Unlike most wood and wood-composite products that quickly fade when exposed to the weather, the PolyTuf surfaces have no wood fibers, so they retain their vibrant look for years. In addition, they don't need waterproofing, staining or any maintenance other than an occasional washing with soap and water.

A modular system that allows you to create a space just the way you want it. The Liberty product line has a variety of products from bins to planters, tables to seating - providing a complete and seamless look.

- Thermory® is 100% sustainably harvested North American White Ash.
- A chemical free heat and steam process gives the wood rot resistance and stability.
- Plank color can be maintained with a penetrating oil to reflect UV rays or will naturally season to a beautiful silver-gray color if left untreated.
- Structural steel framing is strong, durable and enhanced by protective powder coating.
- Fasteners and assembly hardware included. Surface mount hardware not included.

Explore our range of durable benches, expertly designed for outdoor use. Made from high-quality materials, these benches withstand the elements while retaining their aesthetic appeal. Ideal for parks, walkways, and gardens, they offer convenient seating for relaxation and social interaction.

- **Esplanad:** With a classic, timeless design, this bench seamlessly blends into any outdoor setting. Clean lines, curved armrests, and a slatted seat and backrest contribute to its elegance, making it a focal point in parks or public spaces. Crafted from weather-resistant, durable materials, which ensures long-lasting performance in various climates.
- **Grid:** Featuring a bold graphic striped pattern and smooth finish, this range adds a contemporary touch to any space, indoors or outdoors. Benches can be combined to create unique configurations tailored to your budget or space. Made with steel and HPL slats, it offers a durable, low-maintenance solution. Designer: Lars Vejen.

BIKE RACKS

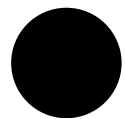

HAGS

Our bike racks come in various designs, available as freestanding or anchored to the ground or wall. Suitable for public spaces, some models feature built-in racks, while others are complemented with additional ground or wall racks.

- Dorado: Designed to securely hold bikes, this stand reduces theft and accidental damage with individual slots for locking bikes. Can be configured to accommodate varying numbers of bikes.
- Orion: Featuring a modern and stylish design, this stand complements any urban or architectural setting with its clean lines and smooth finish. Constructed from high-quality materials, it withstands outdoor conditions and heavy use, ensuring long-lasting durability.
- Sagitta: A robust bike rack made of hot-dip galvanized steel for long durability. Its simple and sturdy arch design can be placed in a row or individually. An advantage is that the bike can be locked with the frame in the frame, increasing safety.

TRASH RECEPTACLES

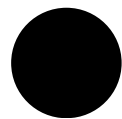

HAGS

Explore our diverse range of outdoor trash receptacles, perfect for any setting from commercial areas to public parks. These receptacles combine functionality with aesthetic appeal, improving both appearance and utility.

- Rosen: A robust 40-liter bin with a discreet high-end look. Its sloped top prevents bottles from being placed on it, and the front-opening door allows easy emptying. Suitable for general and dog waste, Rosen is available in black or galvanized finish.
- Sergel: Popular in urban environments, Sergel combines large capacity with an attractive shape. Its wide, low opening accommodates bulky waste while deterring birds. The hidden sack is easily accessed with a triangular key. Available in black or hot-dip galvanized. Design: Janne Wickelgren.

Order Information

INVOICE TERMS

Net 30 days. A finance charge of 1.5% per month or maximum allowable by law will be added to past due balance.

OPEN ACCOUNT

Credit terms are available to municipalities, government agencies, school systems and businesses (with prior approved credit). To establish credit, your organization must have a satisfactory rating with Dunn and Bradstreet. Alternatively, three credit references are required, and an order may be booked upon completion of credit investigation. To establish credit, your initial order must total at least \$500.00. Prepayment may be required for any order at Wabash Valley's sole discretion.

METHODS OF PAYMENT

MasterCard, Visa, American Express, Money order, Checks. Sorry, no C.O.D. orders.

PRICES

We strive to keep our prices as low as possible. However, due to unexpected increases, our published prices are subject to change without notice. All prices are in U.S. dollars.

SALES TAX

Will be added to the invoice, except when a tax-exempt certificate is furnished.

FREIGHT CHARGES

All freight quotes are 15% of net equipment.

To calculate freight:

- Multiply your product subtotal by .15 (15%)

If a liftgate is required for delivery on your purchase, please specify when placing your order. This will be an additional \$100 flat fee to your order. Contact our Customer Service department with any questions at 800-253-8619.

WEIGHTS

Shown as approximate and include packing materials.

CANCELLATIONS

Only accepted with approval of Wabash Valley Manufacturing.

DAMAGE/SHORTAGE CLAIMS

All claims for concealed loss or damage to product should be reported immediately to our Customer Service Department. All claims for product damage and shortage via common carrier must be promptly made by consignee (customer) direct to Wabash Valley's Customer Service Department. When reporting damage, be sure to hold all containers and packing materials for inspection (claims should be filed within 15 days of receipt of shipment).

RETURNS

No merchandise is to be returned without first obtaining written authorization from Wabash Valley Mfg., Inc. Please advise us of invoice number, invoice date and reason for your return. Any authorized merchandise must be carefully packed and in saleable condition to be accepted for return. A 25% re-stocking charge applies on all returned merchandise when error is not the fault of Wabash Valley. Please contact our customer service department for further information at 1-800-253-8619. All returned merchandise must be shipped insured, and freight prepaid.

SPECIFICATIONS/WARRANTY

Consult Wabash Valley's Sales Department or Customer Service Department for a written copy of our limited warranty and detailed specification sheets on our product line. Wabash Valley has a policy of continuous product improvement and reserves the right to discontinue or change specifications without written notice.

FREIGHT CARRIER INFORMATION

All freight is shipped unassembled via FedEx (if able) or a common carrier. On all common carrier shipments, the customer is responsible for unloading. Inside delivery is available for an additional charge.

PORTABLE BENCHES AND TABLES

All portable and free standing benches and tables must be used on level ground.

☂ Umbrella compatible

♿ Wheelchair accessible

**All wheelchair accessible tables must be adequately anchored (surface-mount adapters included)*
